

TABLE 5

This table lists commercial fundraisers that registered in 2005 and submitted financial reports that were not accepted for filing.

Financial reports must be signed by the commercial fundraiser and also by two officers of the organization. In most cases the financial reports were not accepted because they had not been signed by the officers of the charities.

**Note:** Negative amounts in the *To Charity* column indicate the campaign raised less than the commercial fundraiser fee guaranteed in the contract between the charity and the fundraiser.

**Financial Reports Received but Not Accepted for Filing**  
**Listing by Percent to Charity (Descending Order)**
